Contractor/Owner must ensure that all utilities have been removed or terminated and sewer connection is properly protected/covered at the termination point. Sewer Connection must be capped and inspected by Code Office. Contractor is responsible for disposing of debris at a MDEQ approved landfill and must provide tickets for the disposal or job site dumpster rental tickets.

Contractor is responsible for commercial permits required by MDEQ.

Lot must be cleared of all debris and left in condition so as not to hold water. An approved final inspection is required for bond refund/release.
